

PRODUCTION EXPENDITURE REPORT:

MFTVB is conducting a survey to measure the economic impact of our industry on Minnesota's economy. The information collected on survey forms will be reported to the state in aggregate -- no financial information from individual production companies will be included. Please complete one survey report for each of the production categories in which you or your company had Minnesota expenditures during calendar 2009.

Thank you.

PLEASE NOTE

REPORT ONLY APPLICABLE EXPENDITURES FOR CALENDAR 2009 MADE IN MN.

No identifying information (production company, name, etc.) will appear on reports to Explore Minnesota Tourism. Thanks for your cooperation in helping us substantiate the economic impact of our industry on Minnesota's economy.
